2008 Foundation Highlights...

The Wesley Foundation is committed to broadening the mission of The Wesley Community by conveying the needs of its residents and clients and by building relationships to provide resources to enhance their well-being and the quality of their daily lives.

Residents and their families, staff and friends, the corporate community and civic organizations support The Wesley Foundation each year through charitable donations that enhance specialty programs, purchase equipment, support facility upgrades and strengthen our services to meet the many needs of our residents and clients.

In 2008, The Wesley Foundation raised over \$477,000 to support a variety of programs and services throughout The Wesley Community. In addition to the annual fund campaign and the employee giving campaign, the Foundation hosted two special events in 2008.

“Cruise the Tropics” guests seated from left, Maureen Lewi, Ed Lewi, Colleen Carlson. Standing from left, Heather Mabee, Judy LeCain, and mistress of ceremonies, Liz Bishop.

In March, in conjunction with Panza’s Restaurant and Fine Affairs, An Evening with Tony DeSare treated guests to an

outstanding performance and evening of entertainment while raising money to benefit the Foundation’s unrestricted fund, which provides support where the need is greatest within The Wesley Community. “Cruise the Tropics” in May welcomed more than 175 guests to enjoy an evening filled with great

food, fun and music, and raised over \$25,000 for the Foundation’s employee scholarship fund, The Meinhardt Partnership.

In 2008 Foundation resources also supported scholarships for adult day care through Wesley Evergreen Adult Day Services, provided support for uninsured or

underinsured pediatric patients in need of outpatient services in speech, occupational therapy and physical therapy, and helped with education costs for 18 Wesley employees in pursuit of an advanced healthcare career. Transport wheelchairs were purchased for general use by residents of Embury Apartments and resident events and outings provided entertainment and enjoyment for our residents throughout The Wesley Community.

Charitable support is vital to Wesley's ability to continue to meet the needs of our residents and clients, and to provide them with life-changing programs and services

Brian Nealon, CEO and Shelly Amato, CFO (center), join guests Ken Grey and Kathy Hayward at The Wesley Society Luncheon.

LETTER FROM OUR CEO, J. BRIAN NEALON

I certainly hope that the spring 2009 issue of the Wesley newsletter finds you well. I know that I, for one, am very pleased to see the signs of spring popping up across The Wesley Community's campus. This was certainly a long winter.

It could be said that we are also experiencing a protracted economic winter. Unfortunately, the arrival of our economic spring is far less predictable than the calendar's spring equinox. I recognize the difficult times that we all are facing, so this year, more than any other in the recent past, I want to thank everyone who has generously supported The Wesley Community through their investments in The Wesley Foundation.

Donors to The Wesley Foundation contributed over \$477,000 in 2008 to provide much-needed resources for programs and services for our residents, clients, and their family members. This charitable support is vital to the continued success of The Wesley Community, and our ability to continue to provide life-changing care and fulfill our mission. Donations provide support for equipment purchases, education programs and building improvements. Gifts designated to The John and Elizabeth Gailey Endowment Fund help provide for the long-term financial stability of The Wesley Community.

Contributions are made in many ways, from many different groups. Individuals, board members, companies and organizations all support The Wesley Foundation. I am particularly pleased that our own Wesley employees contributed over \$20,000 in 2008 to support various programs and services. The strength of this collective giving has a significant impact on our ability to meet the changing needs of those we serve.

I invite you to join me, on behalf of The Wesley Foundation board of directors and the United Methodist Health and Housing board of directors, as we extend our thanks and appreciation to all of our donors for their continued support and commitments to The Wesley Community.

Sincerely,

J. Brian Nealon
